

REMARKS

The Applicants have carefully considered the objections raised in the Office Action dated August 16, 2006.

As a result, non-elected claims 2, 4, 5, 7 and 11-52 have been cancelled from the application.

With regard to claim 53, the identifier has been amended to read "previously presented". Since claim 53 depends from claim 1 which has been deemed as allowable, it is respectfully submitted that claim 53 is also allowable.

Applicants respectfully submit that the amendments made herein are to cancel the non-elected claims and to insert a proper identifier for the claim. All the amendments are supported by the application as originally filed, and therefore no new matter has been added.

An earnest effort has been made to place this application in condition for allowance which action is respectfully solicited.

Should the Examiner have any questions or require anything further, it would be appreciated if the Examiner would contact the undersigned attorney-of-record at the telephone number shown below for further expediting the prosecution of the application.

Respectfully submitted,
Dowell & Dowell, P.C.
